## Emergency Processing

Emergency processing is available for dosimeters suspected of receiving overexposure. Call Customer Service - Technical Records at (708) 755-7000. Have the following available:

- Account number
- Name and phone number of the person to be contacted with the dose reading(s)
- Number and types of dosimeters being returned
- Name of commercial courier for return shipment
- Source of exposure
- Any other information you feel pertinent

Enclose a note with the return shipment listing the name and phone number of the person to contact. Mark the outside of the package: EMERGENCY PROCESSING.

For shipments received by 10:00 A.M. Central daylight saving time, Landauer will phone the dose results to the point of contact by 4:30 P.M. Central daylight saving time. For neutron dosimeters, Landauer will phone the dose results to the point of contact by two business days.
