

# HOW OPTIMIZE CAN HELP YOU

LANDAUER<sup>®</sup>  
OPTIMIZE

# 1

## AUTOMATED PROTOCOL MAPPING

LANDAUER prepares everything according to your specifications for automated protocol mapping.

## ANALYZE YOUR DATA

We analyze your data and review dose incidents. We notify you if there are any urgent incidents that require immediate attention.

# 2

# 3

## INSIGHTS

You get a team of experts identifying opportunities to optimize dose and image quality to provide the best patient care.

## WORRY FREE COMPLIANCE

You review our recommendations and dose incidents and take action when necessary.
